## Call of the Wilderness

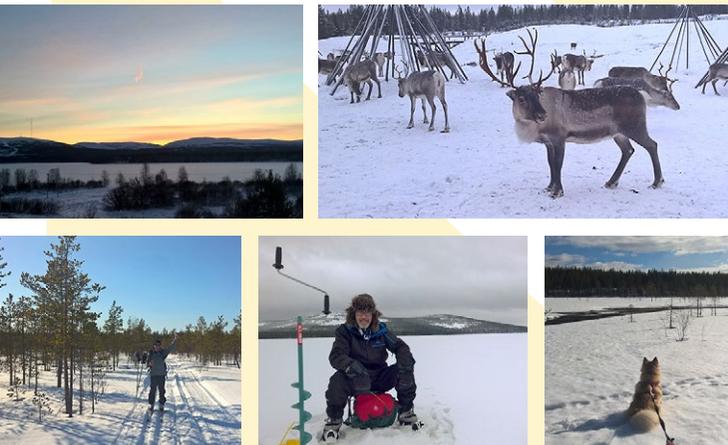

Winter is a magical time in Lapland. Magnificent landscapes, trees crowned thickly with snow, velvet blue sky and the Northern Lights welcomes you to enjoy beauty of wilderness in Lapland. You can really feel the Lappish magic when you walk inside of snowy forest.

Our family invites you to join us to our memorable activities. With us you can discover the uniqueness and appeal of the Lappish nature, history and the Lappish way of life. During the winter Arctic nature gives you more experiences than you can imagine.

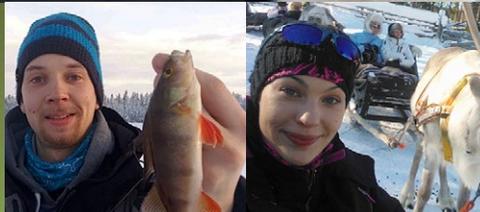

### OUR VALUES

Kairankutsu's values and our promise to our guests is to provide safe, high-quality nature tours that preserve and honor the local nature, its history and culture.
